

# Canada, Eh Contest Results

by Cindy Simpson

Congratulations to all of our entrants to the Canada, Eh Contest; the quality and quantity of the entries created a showcase of quilts with a truly Canadian theme.

AND THE WINNER IS: *Morning Coffee* by Margaret Cale of Ripley, Ontario

*Morning Coffee* was made for the KINCARDINE SUNSET QUILT GUILD Past President “Canadian Idle” Challenge. The piece required the use of three specific fabrics, had to reflect the theme, “What do Canadians do in their spare time?” and a Canadian flag had to be present in the design.

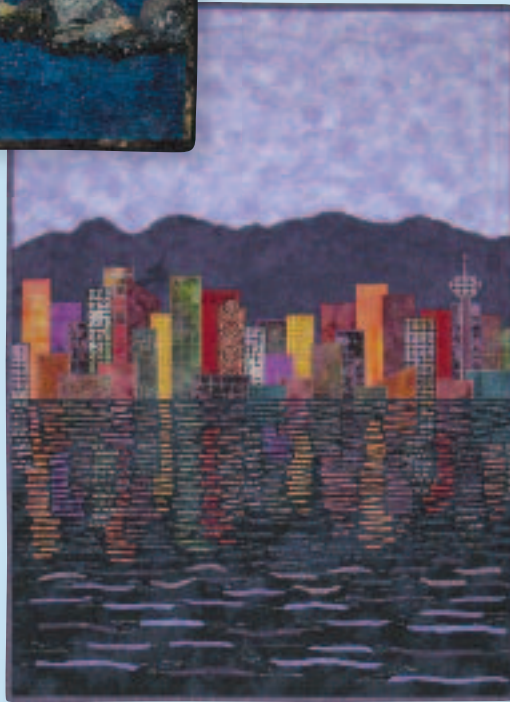

Margaret’s original designed wall hanging was machine pieced, hand appliquéd and machine quilted. The background is composed of pieced blocks with strong horizontal lines emphasizing the feeling of calmness and serenity. A photo of Lake Huron printed on fabric is

incorporated into the background piecing. The image of her sister is enlarged from a photograph. The Canadian flag is on the coffee mug.

I loved receiving all of the entries, each one was like opening a gift. Our talented quilters interpreted the theme “What Canada means to me” with a wide variety of beautiful quilts. The survey was open for two weeks and 1,265 votes were cast.
