Workshop Selection

(We suggest you keep a photocopy for your records.)

Please read the registration handbook carefully for workshop descriptions, including length of classes, dates, level of difficulty and machine requirements. Viking Sewing Machines will be installing sewing machines in ALL classrooms where machines are a requirement (*there is no need to bring your own machine*). Workshop supply lists and other relevant information will be mailed with your registration confirmation package.

(Registration confirmation packages will be mailed in late November/early December.)

Please indicate 1st, 2nd and 3rd choices for each day. Workshop spaces will be assigned on a “first registered – first served” basis, with ALL entries bearing the same postmark date being given equal opportunity. Once registered, you will be assessed a \$17.10 (includes HST) processing fee for each change you wish to make. Conference registrants withdrawing on or before February 4, 2008 will have a 20% administration fee deducted from their refund. After February 4, 2008, partial refunds will be considered ONLY if the space(s) can be resold.

After you have filled in all your workshop selections, please circle your ONE overall first choice workshop.
We will do our best to accommodate as many as possible.
