

Come for the Day and stay for the Evening...

Treat yourself and bring a friend! Where else can you find a complete experience for such a great deal? Take in the extensive merchant mall, the myriad of colour and design at the featured quilt shows, take a tour of Calgary's historic downtown, pleasure in the Canadian artworks throughout the Hyatt Regency, and be sure not to miss the overturned canoe in the foyer!

Complete your day at one of Quilt Canada's featured dinner evenings. You *won't* be disappointed and you *will* be telling stories about your experience for a long time!

Every evening event has been meticulously planned to be a unique and rewarding experience. Your ticket purchase has enabled us to provide you with an exquisite 4-star meal, themed entertainment and décor. Through the generous donations of our sponsors, quilt shops and quilters, every attendee will go home each evening with theme-specific "swag" and have an opportunity to win a number of door and table prizes.

Our Wednesday evening dinner features an Italian theme. To get your tastebuds going, our opening entertainment is an opera singer, followed by a mouth-watering Italian meal. What country better represents fashion than Italy, and what could be more fitting than the featured entertainment, **Show and Share: Quilts and Fashions?** Your take-homes reflect "*all things Italiano*", with door prizes available to be won throughout the night.

Friday evening dinner's theme is Asian, conjuring up images from China, Japan and Korea. Enjoy a wonderful Asian-themed dinner, see where your fortunes take you, and be entertained by an authentic Lion Dance. Start practicing with those chopsticks! Your take-homes will be what else?

"ASIAN TAKE-AWAY"!

Saturday evening is the western-themed Gala Banquet.
KICK UP YOUR HEELS CALGARY STYLE

Ladies, be charmed by our swaggering cowboys, *Guns of the Golden West*, and bring your cameras to have photos taken with them. Our guest speaker, Judge Allan Fradsham, is sure to have you in stitches with tales of his wife and her quilting obsession. Our final evening entertainment features the musical talents of *Stratus*.

Don't miss out on our final banquet, as this is a wonderful opportunity for old and newfound friends to get together at "*end of trail*". You may want to bring your saddlebags to carry home your take-aways.

These events are certain to be a highlight of this conference!
You are assured of leaving each evening with special memories of your journey to
