## **QUICK & EASY TURNED-EDGE APPLIQUE: The Apliquick Way! Workshop 106A Supply List**

Discover the Apliquick method for turned-edge appliqué. In this class, we will practice turning under the seam allowance and discuss the options for sewing the block by hand or machine. Sewing will not be done in half-day class.

Apliquick rods: available in class so you can try before you buy, or bring your own set.

### **Supply List:**

#### Fabric Requirements

- 3 fat quarters for background, vines and leaves, flowers
- 1 fat eighth for flower centers
- 0.5 m Apliquick interfacing

#### Other Supplies:

- glue stick - available for purchase
- pencil
- scissors for detailed cutting
- tweezers (optional but recommended - some will be available in class)

-working surface for gluing such as:

Teflon non-stick appliqué sheet

Scrap paper

We will work on a sample block in class but feel free to bring your own appliqué project for tips and suggestions.
