

# Quilt Canada 2017

June 14 - 17, 2017

Toronto, Ontario

The International Centre

## **PEEK-A-BOO APPLIQUE LEAF (Janome) Workshop 306M Supply List**

\* The following items will be available for purchase in class:

Water-soluble stabilizer \$2.00 per 12" square

In this class, we will make a peek-a-boo appliqué leaf block using strip pieced patchwork.

**NOTE:** All fabrics should be pre-washed and colourfast. This block will need to be immersed in water to remove stabilizer.

### **You will need:**

- 2 ½" x Width of Fabric strip of at least 6 different fabrics for the leaf
- choose medium to dark greens, tone-on-tone or textured prints for a traditional leaf, autumn colours for a fall leaf, or reds for a Canadian maple leaf
- be prepared to swap and share fabric strips!
- 10 ½" square of background fabric

- NOTE: If your background fabric is light and your leaf fabrics might shadow through it, bring a second 10 ½" square of fabric to use as a liner
- \* 10 ½" square of clear water-soluble stabilizer (such as Solvy), medium to heavy weight
- thread to match background fabric
- thread to satin stitch the leaf
- 10" embroidery hoop (optional)

### **Other Supplies**

- rotary cutting supplies
- scissors – small, for close detailed cutting
- neutral thread for patchwork
